Cardio Strength - Get a total body workout that focuses on tightening and toning the body with intervals of cardio and strength using hand weights, body bars, resistance bands, steps, and resistance balls.

Cardio Strength Step - Get moving in this high-energy workout for all fitness levels that work on optimal strength training and body weight exercises. Arrive a few minutes early to your first class to learn basic technique from the instructor.

Core and More - Improve posture and physical function for a healthy lifestyle, as we focus on strengthening exercises for abdominal and back muscles.

Multicare Programming - Point Fosdick Women's Wellness Center is closed to YMCA members due to Multicare Programming during this time.

Muscle Toning - Condition the total body through strength and endurance exercises using resistance equipment such as hand weights, body bars, resistance bands, steps, and resistance balls.

Pilates - Increase core strength through gentle rhythmic movements focusing on breath, flexibility, strength, and core stabilization.

Yoga - Gentle - Alignment, core strength, flexibility and relaxation, are the focus of class and is accessible to all. Ideal for those preferring a more gentle practice.
