#### OPEN REGISTRATION

**Tuesday, 7am-10pm**

Open registration gives our members the opportunity to register for two recreational classes per person. This helps to ensure that all members have the opportunity to register for classes.

#### FEE-BASED REGISTRATION

**Tuesday, Begins at 6am**

During this registration opportunity, you may complete your fee-based class registration. Fee-based registration will remain open until classes are full. Unlimited amount of fee-based courses are allowed.

#### LATE REGISTRATION

**Thursday, 7am Through First Two Weeks of Classes**

Late registration includes opportunities to register for all available programs. During this period, you may register you or your child for an unlimited number of classes, but duplicate classes are not permitted.

# REGISTRATION TIPS

Get prepared for registration with these helpful tips!

- » As a reminder, in order to serve as many of our members as possible during Open Registration, there is a limit of two included (non-fee based) classes per child: one land and one water class or two land classes that are not the same. Should you register for more than one of the same class, you will be asked to choose between them, and your child's name will be removed from the roster of the others in order to make room for other members. During late registration, you may register for additional included classes so long as they are not duplicate classes. **You may register for an unlimited amount of fee-based classes.**
- » **Be on time.** Plan on being on your computer or smartphone prior to 7am as classes fill up quickly. Think of it like you are buying tickets to your favorite concert - the more prepared you are right when registration opens, the better chance you have of getting the classes you want!
- » **Have a backup plan.** In case you don't get into the class you want, it is best to have a backup class ready. The more time you spend looking for classes, the less likely you are to get into one.
- » **Bringing a guest?** Please make sure that any guests ages 16 and older bring photo ID and allow time to fill out a guest waiver with a parent/guardian signature.
- » **Missing classes** during the first week of the session will result in being dropped from the class. Please communicate with the appropriate director if your child is sick or unable to attend.
