### **Sports Mix**

Calling all athletes! Need an outlet for all that energy? Campers experience a variety of activities, trying a different sport each day.

### **Top Chefs**

An introduction to the culinary arts where campers learn to create fun things to eat! From chopping up to cleaning up, it's all food for thought! Activities include interactive learning and creating balanced meals.

### **Super Soakers**

Games and activities inside and outside the pool every afternoon. Please send your camper with a swimsuit and towel daily.

### **Lego Robotics**

Campers will spend the week creating different robots out of Legos. Learn how to program our robot, set up sensors, and complete different tasks. Campers will learn to put these together as a team and complete different challenges using the robots

### **Camp Games**

Every camper's favorite time of the day. Campers will enjoy schoolyard games that include; Kickball, Whiffle Ball, Wall ball, Four Square, Ultimate Frisbee, and much more!

### **Photography**

Campers will learn the basics of using a digital camera to take photos, how to import images to a computer, simple editing and printing. This project-based class includes an overview of tools and techniques for making great photos and turning them into digital art.

### **Ninja Warriors**

Learn how to live and train like a real ninja! Campers go through a series of challenges and training courses designed to equip kids to be more confident in making sound decisions when face with life's challenges.

### **Splash Camp**

Classic pool games and activities every afternoon. Please send your camper with a swimsuit and towel daily.

### **Mad Scientists**

Science is a part of everyday life. Campers learn to ask questions and find solutions while using everyday items to create science experiments.

### **Comic Creations**

Campers will work as part of a production line to conceptualize, create, and publish their own unique superhero creation.

### **Amazing Race**

This challenge based camp will include a weeklong competition among campers. The activities will give each camper an opportunity to be the hero of their team. Different world cultures will be highlighted through activities.

### **Olympic Games**

Campers will be placed into teams and will complete challenges throughout the week. Ultimate teamwork and pride will be the key to success!

### **Water Sports**

Learn the basic rules to competitive water sports such as water polo, water basketball, and water volleyball, and competitive swimming. Campers must be comfortable swimming without a life jacket and pass a swim test to participate in this camp.

### **Pokémon**

So you want to be a Pokémon master? Come to camp and learn to be a Pokémon trainer by building decks, battling, and strategizing. Camper I choose you!

### **Soccer**

Soccer camp is a great place for campers to learn the sport for the first time or sharpen their skills. In this recreational camp, our staff will emphasize skill building through drills, group games, scrimmages, and teamwork. Campers will work on dribbling, passing, trapping, shooting, and footwork skills.

### **Dance Mix**

Campers will learn basic skills and create routines in a different dance style each day. Dance styles may include hip hop, contemporary, jazz, and ballet.

### **Rock Climbing**

Campers will learn about safety in rock climbing and develop basic skills on the rock climbing wall.

### **Outdoor Explorers**

Campers will learn how to explore the vast wilderness and create projects to help them get through various challenges. Earn badges throughout the week to showcase your accomplishments.

### **Drama**

Campers will explore their creative side through a variety of performance activities that may include musical theatre, dance, acting, and musical expression. Please wear comfortable clothing that does not hinder movement.

### **Basketball**

Basketball is a high energy, exciting team sport that builds character and promotes healthy exercise. This coed camp is designed for youth basketball players looking for a week filled with teamwork, coaching, basic skills development, and fun. Camp will include age specific drills and a variety of other basketball activities. Court shoes are required.

### **Star Wars**

Campers will spend a week learning how to use The Force by participating in Star Wars themed games, activities, and arts & crafts.

### **Recycle Art**

One person's trash is another person's treasure! In Recycle Art, campers will create their own masterpieces using only recycled materials.

### **Action Art**

Campers will be encouraged to think outside the box and use a variety of unique methods to create their art pieces. This one-of-a-kind class is sure to spark every imagination!

### **Jazz Funk Fusion Dance**

Jazz Funk, also called Street Jazz, borrows a lot of movement from other dance styles. From ballet-modern-hip hop- to lyrical, jazz funk incorporates little bits and pieces of other dance genres and wraps into a funky style that is both fun and expressive! In this camp students will learn the exciting leaps, turns, and jumps of jazz along with the isolations and syncopated movement of hip-hop; all while dancing to popular music!

### **Medieval Games**

Calling all Knights and Nobles! In this camp, we travel back in time to the middle ages to compete in medieval sports, challenges and activities.

### **Mission Impossible**

Campers will complete a variety of challenging missions throughout the week that require the stealth and quick-thinking of a secret agent on an impossible mission!

### **3D Art**

Create anything your heart desires with this fun and imaginative art class! Using a variety of materials, campers will be encouraged to create sculptures and other 3D projects.
