Abstract Sharpie Drawings on Tin Foil

Age Level: 6+ years (with the help of a grown up)

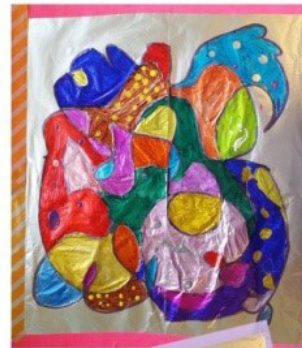

Time: 30 minutes or less

Supplies/ Materials:

- Tin Foil
- Sharpies (variety of colors)
- Piece of cardboard
- Washi tape or other tape you might have

Instructions:

1. Start by flattening out the tin foil on to a piece of cardboard
2. Tape the sheet along the edges, smooth any bumps or bubbles
3. Using a black sharpie marker carefully doodle a loopy line around your paper, overlapping and swirling it around the page. (do not scribble, make controlled lines and loops) *Make sure to draw slow so you don't poke holes in your foil*
4. You can add flowers or other doodle-y designs.
5. After the black marker dries, use colorful sharpies (or other permanent markers) to color in the sections.
6. At the end you can add puffy paint patterns and lines for a finishing touch if you choose to.
