We are excited that you have decided to be a part of a national movement of young motivated and passionate people who are trying to make a difference. Since 1947, the YMCA has been providing a platform for like-minded young people to embark in a non-partisan, civic engagement opportunity. YMCA Youth & Government Youth Legislature is designed to educate and civically engage teens in grades 8-12 about our State Legislative process by providing a student led, "hands on experience".

Vision Statement

New generations of ethical and informed, public-minded citizens

Mission Statement

Teach democratic values and skills to youth through hands-on experiences

Specific Program Goals:

- To foster the development of citizen responsibility
- To develop social competence, problem-solving ability, and communication skills
- To encourage self-reliance and a sense of purpose for youth
- To stimulate careful deliberation of social issues and their possible resolutions

- To apply ethical values in making public policy
- To teach the YMCA core values of Honesty, Caring, Respect, and Responsibility.

Motto

"Democracy must be learned by each generation."

Throughout the year you will spend time in your delegation learning the basics of our state government. You will practice public speaking skills and learn parliamentary procedures, research and draft legislation, learn the importance of opening and closing remarks and have the opportunity to take on various roles of the state government.

Your delegation meetings prepare you for your participation in district events, held traditionally in the winter, where you will share their ideas with others from our district and possibly run for a statewide leadership positions.

The culmination of the program occurs May 3-6, 2023. It is at this time that students from around the state take on the roles of Representatives, Senators, Lobbyists, or Reporters and do their part in reporting on, debating and passing legislation that is important to them. In addition to these roles, experienced participants also have the opportunity to take on leadership roles such as Governor, Lt. Governor, Speaker of the House and Secretary of State.

Youth & Government Core Values

Honesty – Intellectual honesty and a strong sense of academic ethics are critical to the Y&G process of research and debate. Tell the truth, speak for yourself, speak out against injustice, mean what you say-say what you mean.

Respect – Youth & Government delegates will encounter arguments and positions that are at times contrary to their own personal beliefs or feelings. Learn to confront these ideas head on in a respectful manner without the need for personal attack on other delegates. Listen to all opinions, treat others with respect and take care of areas that we are guests in.

Caring – Avoid putdowns, choose to see the positive, help someone in need. At times you will be supported and at times be challenged on your beliefs and will be provided a platform to have your voice heard. Care for other delegates by doing the same. Listen to what they have to say.

Responsibility – Youth & Government only works when each member contributes to the goals for the program. It is the responsibility of every delegate to measure their actions and decisions against the standards of the YMCA Core Values. Do the right thing, clean up after yourself, and take responsibility for your own learning and actions.

Equity Statement: The YMCA of Pierce and Kitsap Counties is a champion of vibrant, healthy youth, families, and communities, and aspires to be the community gathering space where all people have the opportunity to thrive and achieve their full potential.

The Y stands for nondiscrimination, diversity, inclusion, and equity. We welcome all people regardless of ability, age, background, ethnicity, faith, gender, gender identity, gender expression, race, or sexual orientation. We are dedicated to removing institutional and systemic barriers that result in oppression and racism.

Governor – Landon Hulser – Franklin Pierce

Lt. Governor – Clyde Carter – Mill Creek

Speaker of the House – Christian Luna – Walla Walla

Secretary of State – Avery Horton – Whatcom

Attorney General – Jack Lindsey – Korum

Editor in Chief – Ann Duan – Snohomish

Speaker Pro Tem – Rahni Singh – Seattle Academy

President Pro Tem – Sirena Jove – Korum

Postmaster General – Lucia Faba – Walla Walla

District Lines

Washington State is divided into 6 different districts and you are a part of District 6 which includes delegations within Pierce and Kitsap Counties. Each district has a district coordinator whose responsibilities include contacting and promoting the program to interested Y's or schools and provide support to local delegations if needed.

In addition, each district coordinator plans and hosts district events where local YMCA's, public, private and homeschool delegates are able to connect with others and have a hands-on experience to help support your time in Youth Legislature.

History of Youth Legislature for District 6

The YMCA Youth & Government program within the Tacoma YMCA got its start with local Hi-Y clubs at Stadium and Lincoln High Schools. Three years later, Clover Park joined the ranks followed by Franklin Pierce in 1955. In 1958, local Tacoma area Tri-Hi-Y clubs started participating in Youth Legislature. In 1961 the local Hi-Y and Tri-Hi-Y clubs dropped from an all time high of twelve clubs down to only one, the Wopaclo Tri-Hi-Y club from Franklin Pierce High School. The following year, the Cardinal Hi-Y club (Franklin Pierce) joined the Wopaclo Tri-Hi-Y club and were the only groups from the Tacoma Y during the years of 1962-1967.

The 39th Youth Legislature in 1970 was the last year that Hi-Y and Tri-Hi-Y clubs participated as a strictly school based YMCA program. The Tacoma YMCA did not have any Hi-Y or Tri-Hi-Y clubs participating in the 40th and 41st Youth Legislature and in 1974, the Tacoma YMCA started a delegation within its walls with 12 teens from local area high schools all meeting at the old downtown Y. Listed below is a rough account of the number of Hi-Y, Tri-H-Y participants, any Major Officers and the position they held from the Tacoma area. It isn't until the mid 70's when numbers are more accurate for the Tacoma YMCA.

From the first local delegation to current there have been over 1600 teens from the District 6 area who have participated in Youth & Government/Youth Legislature.

District and State Events

District 6 will be hosting 2 events during the year: one to elect our allotted leadership positions and two to model what may happen in Olympia during Youth Legislature. It is HIGHLY encouraged that delegates attend both to get the most out of their experience.

- **D6 Pre/Vote Leg** – A half day event in January where we offer a few workshops and voting for student leadership for the 76th Youth Legislature.
- **D6 Mock Leg** – An all-day event in February. The event begins with committee sessions, rules committee and then debate. Later on in the day there will be voting for on our districts nominees for Major Office. For the D6 Mock Leg event, all delegates/advisors must adhere to the YMCA Youth & Government Dress Code.

The YMCA Youth and Government State Office will be hosting a variety of events, both social and educational for delegates across the state. These events are there to assist new and returning delegates and are encouraged that you attend. Some of the events will be virtual and others in person.

- **Program Committee Meetings** – The Youth and Government Program Committee meets quarterly throughout the year to help discuss, plan and execute suggestions to help the program. The program committee is comprised of the Youth Governor, 1 adult and 1 youth from each district, the program director, program coordinator and the program committee chair. Anyone may attend, however in an observer capacity.
- **YAG Leadership Orientation (in person)** – Friday, April 13–Saturday, April 14, 2023, time TBD. Leadership Orientation provides all of our elected leader's additional training in their specific area. This event is an overnight at a local hotel in Olympia.

Dress Code for Delegates and Advisors

The Dress Code is currently being reviewed by the Youth and Government Program Committee and amendments forthcoming. Your advisor will provide any revisions as they are approved.

Dress Code for Delegates and Advisors

You are expected to uphold a professional appearance, similar to rules upheld by members of the State House of Representatives and Senate during all committee and floor sessions. You should wear professional clothing that would be deemed appropriate for a legislator or business professional. If you are unsure if what you are going to wear is acceptable, ask an advisor prior to your arrival.

The dress code below is a guideline to help your delegates/advisors choose appropriate/business professional clothing for Olympia. Please have conversations with your delegates in choosing clothing that they would normally wear on a daily basis if they were in a professional work environment and not clothing that they would not wear on a daily basis if they were in a professional work environment.

Acceptable Attire: business suits, slacks (belt) with a sweater or sweater vest, slacks (belt) with a dress jacket, sport coat or blazer, collared shirt with neckties and dress shoes. Think of what you should wear for a professional job interview. Modest blouses/shirt with a sleeve and dresses/skirts must be knee-length. Open-toed shoes should not be worn, except with tights. In lieu of a blouse, collared shirts with neckties may also be worn under a suit jacket, sport coat, blazer or sweater vest.

Unacceptable Clothing: sweats, t-shirts, denim, skirts or dresses not to the knee, leggings/yoga pants, shorts, miniskirts, sleeveless or tops not covered by sweater or jacket, sneakers, hats, casual shoes, inappropriate or revealing clothing; visible undergarments, midriffs, or cleavage.

Acceptable Casual Attire for Hotel: When outside their own room at the hotel participants must wear respectable, school-appropriate attire, including shoes or sandals/flip-flops. This includes: sweatpants/sweatshirts, t-shirts and shorts longer than the finger-tip.

Unacceptable Casual Attire for Hotel: When outside their own rooms at the hotel participants may not wear: tops that are backless, sheer/transparent, low-cut, midriff-bearing or strapless. Shorts shorter than finger-tip length. Slippers or pajamas. Clothing with inappropriate messaging. Bare Feet. Visible undergarments. Swimwear.

Governor's Ball: Most students choose to dress in formal to semi-formal attire. Session attire will be enforced with the following exceptions listed below.

*The following exceptions apply: sleeveless dresses are ok and nylons do not have to be worn with open-toed shoes.

Bill Drafting Guidelines

There are four different types of legislation in the YMCA Washington State Youth Legislature you may choose to write:

1. **A Legislative Act** – proposes a new, amends or repeals an existing state law. Must have an RCW number.
2. **A Resolution** – applies to matters external to the legislature, such as the Washington State Constitution.
3. **A Program Resolution** – suggests a change to the Youth Legislature Program and Rules of Order.
4. **A Memorial** – in essence a letter to Congress, the President, or federal agencies on matters of national interest.

In each case, there are specific guidelines that must be followed in drafting your bill. A sample of an Act and a Memorial is included in this section.

Acts usually get the most serious consideration, because these bills actually propose changes in the laws of our state, and have a real impact upon our quality of life. These Acts must pass by a simple majority vote.

Resolutions also have a big impact on our daily life if they relate to our state constitution, which provides the framework for our government or to the Rules of Order of the YMCA Washington State Youth Legislature.

Program Resolutions provide a means for current delegates to suggest changes to the Youth Legislature Rules of Order or additional changes to the program. Resolutions must pass by a 2/3 majority vote.

Memorials provide a means of telling the federal government what the legislature thinks about an issue, but does not have any real impact or “clout” in making real changes. Memorials must pass by a simple majority vote.

Joke Bills, while humorous, lighthearted “joke” bills are sometime fun to write and can offer a needed break during the session. Delegations are asked to submit very few, and those allowed should still be written to make a point, although humorous, about public policy.

Joke Bills dealing with popular fads, state symbols and other current topics can be acceptable at the advisor’s discretion. Joke Bills in poor taste or attacking a certain group of people are not.

How to Say It

Be Direct

Bill drafts should be precise and understandable. This is usually achieved by avoiding excessively long sentences, wordiness, and legalese. Sentences should be no longer than about 17 to 21 words to be easily understood. Excessively long sentences make statutes difficult to read and interpret. Never use many words where a few will do. Always try to use language used in normal conversation and correspondence.

Use Present Tense

Bill should be written in the present tense. (i.e. – “It is illegal to...” rather than “It will be illegal to...”) Do not say what you want to happen, say what will happen.

Avoid Jargon

Certain words are used in bill drafting either because they sound and look legal and important, or because they have been used since time immemorial. Occasionally some of this legalese may actually be needed, but generally it should be avoided.

Feeling Words

Avoid using the words “I feel” and “I want”. Bills should be void of feeling. This is what your opening and closing remarks are for.

Words to Avoid

The following is a list of words to avoid in bill drafting and some suggested substitutes:

Avoid Using	Use instead
Aforesaid or aforementioned	The, that or those
It is lawful to	May
Is authorized/entitled to	May
It is his duty to	Shall

Title: Recess in public schools

TO THE HONORABLE JOSEPH R. BIDEN, PRESIDENT OF THE UNITED STATES, AND TO THE PRESIDENT OF THE SENATE AND THE SPEAKER OF THE HOUSE OF REPRESENTATIVES OF THE UNITED STATES, TO THE SENATE AND THE HOUSE OF REPRESENTATIVES, IN CONGRESS ASSEMBLED

We, your Memorialists, the Senate and House of Representatives of the YMCA Youth Legislature of the State of Washington, in legislative session assembled, respectfully represent and petition as follows:

WHEREAS, The impact of food waste is harmful to the environment and perpetuates climate change. Wasted food not only wastes the energy and water consumed from growing, packaging, and transporting the food item, but it produces methane, a greenhouse gas, when it goes to landfills and rots.

WHEREAS, In a 2019 study conducted by the World Wildlife Fund, an environmental conservation organization, researchers estimate that American schools will waste 530,000 tons of food per year.

WHEREAS, The magnitude of school food waste is evident locally in Washington State. A U.W. 2017/2018 paper titled "An Evaluation of Current Lunchroom Food Waste and Food Rescue Programs in a Washington State School District," cited that "in one middle school in King County, Washington with 500 students, approximately 33,500 pounds of food waste is generated annually."

WHEREAS, According to a study by the Smarter Lunchrooms Movement, children that eat their lunch after recess reduce food waste by 40%. This fact can be because children build up an appetite after physical activity.

WHEREAS, When Sprucewood Elementary in Utah switched to the recess before lunch model, Principal Lori Reynolds reported to the City Journals that the children drink "40% more milk and calm down from their adrenaline high at recess in the lunchroom before they head into the classroom."

NOW, THEREFORE, We, your Memorialists, respectfully request that by the beginning of the 2023-2024 school year, all public elementary and middle schools must have recess or playtime scheduled before lunchtime.

BE IT RESOLVED, That copies of this memorial be immediately sent to the Honorable Joseph R. Biden, President of the United States, the President of the Senate, the Speaker of the House of Representatives, and each member of Congress from the State of Washington.

Parliamentary Procedure 201

Amending a bill

During committee session you can propose an amendment on another person's bill. When proposing an amendment, be specific on what line the text is located in and the exact wording you want to use. Your proposed amendment must receive a second, then you get opening comments. There is debate on your amendment only, then closing comments, then voting. If the amendment passes by a simple majority vote, the language you proposed is added to the bill and the original proponent of the bill resumes debate.

It shall be the general policy that time spent debating amendments is NOT consumed from the debate time allotted to the bill in question - in the case of non-friendly amendments, it will be up to the discretion of the Chair.

Tabling a bill

If a bill needs to be debated later because the proponent isn't available or the bill is missing, you can make the motion to "lay a bill on the table." This is a non-debatable motion and requires a majority vote.

Removing a bill from the table

This motion is valid only if a bill has been previously tabled and is seconded by a voting member of the body. This is a non-debatable motion and requires a majority vote.

To postpone indefinitely

A motion used to not hear a bill on the floor. This motion is only made prior to hearing a bill and requires a second. This motion is debatable and requires a majority vote. If this motion passes, the bill may not be heard at all.

To rescind

This motion is used to take back the passage of a bill adopted earlier by the body. This motion must be made by a member who originally voted in favor of it and is not in order after the Governor has taken action. This motion is debatable and must have a majority vote.

To call for the orders of the day

A motion made by a member of the body asking for the reading of the docket (or the order in which bills will be heard). This motion is not debatable, doesn't require a second and doesn't require a vote. This motion can be done at anytime...even during debate.

To call for the previous question

A motion the body votes to end debate, and to proceed immediately to closing remarks, followed by a vote on the bill. This motion requires a 2/3 majority vote.

To raise a question of privilege

A motion made by a member of the body to correct any injustice that affects the proceedings of the body or its integrity. Similar to Point of Order, it is up to the presiding officer to rule on its validity. If the presiding officer deems it valid, all business stops until the issue is resolved.

To limit debate time

Any member of the body can shorten debate time. This motion is only valid in between debate of bills. Please be specific on the amount of time you are shortening debate to: opening/closing comments, personal debate and overall debate time. This motion does require a second and is debatable. This motion does require a 2/3 majority vote for passage. Once passed, debate time cannot be lengthened.

To ask for the reading of the paper

This is a motion to have the Reading Clerk read the bill currently being considered in its entirety to the body. This motion does require a second, is not debatable and requires a majority vote.

To appeal the decision of the chair

A motion made to overturn a ruling of a presiding officer. This motion must be made immediately following the decision of the Chair and applies only to points of order.

Spoken form: "I appeal the decision of the Chair."

Chair's response: "Do one tenth of the members agree to the request for appeal? If so, please rise."

If 10% rise the maker of the motion is allowed three minutes to speak in favor of the appeal, followed by one spokesperson against also for three minutes.

Chair: "Shall the decision of the Chair stand as the decision of the House/Senate?"

The question is then voted upon. If there are a majority of "ayes" or the vote is a tie the decision of the Chair is sustained. If the "nays" hold a majority the Chair's decision is reversed. If the ruling of the chair applied to a motion that required a two-thirds majority, a motion to appeal the decision of the chair shall also require a two-thirds majority.

A word of advice. Only use these motions when necessary. Avoid being “that person” who thinks that it is funny to ask for the reading of the paper when every bill is introduced. Or to call for previous question once debate on a bill has begun.

Remember that debate is a privilege and not a right. The presiding officer does not need to call on you if you abuse your power.

The following motions will not be entertained for any reason:

- to suspend the rules nor adopt other parliamentary models to supersede the rules of order
- to reconsider
- to proceed under committee of the whole
- to do business under the call of the senate/house
- to impeach

Other debating tips.

When you have been recognized by the Chair, you have 3 minutes (if time has not be shortened) to do with as you see fit. If you choose to ask the proponent a series of questions and the proponent agrees, proceed with your questions. You do not have to wait until the proponent has finished answering before you ask you next question. Be careful with this as it might come across as you being a “bully”.

Also, when asking the proponent a series of questions and they are in mid-sentence answering your question, if you sit down you are indicating to the presiding officer that you are giving up the remaining of your time and the proponent must stop talking.

Voting on bills and motions

- All members present must vote. An abstention will be counted as a no vote. No member may leave the chamber while a vote is being taken or enter while the vote is being taken.
- A quorum is fifty percent plus one member of the specified body (or 2/3 of the body if bill or motion requires it). A quorum is assumed to be present unless challenged before the announcement of the result of the vote.
- No motion is in order while a vote is in progress.
- All votes shall be by counted by raising your placard. No oral votes (Yeah, Nay). If a division is called or the presiding officer is in doubt, a standing/oral vote shall be taken.
- A majority is defined as any number over fifty percent of the members (or 2/3 depending on motion or bill) listed as present by the Vice Chair at the time that the motion being voted upon was made, provided that a quorum is present.
- Legislators are prohibited from voting if they were not present for the entire debate on the bill in question.
- Legislators may enter and leave the chamber only in between bills and not during debate.

General Campaign Rules

All campaign activity must be mindful of the fact that we are on the Capitol Campus. Appropriate materials, dress, and behavior must be maintained at all times. It is particularly important that we not litter and/or in any way damage, mark, or make a mess of Capitol grounds and facilities. In addition, the following rules will apply:

- All candidates will emphasize and abide by the YMCA core values:
 - o Honesty
 - o Respect
 - o Responsibility
 - o Caring
- There will be no negative campaigning. Materials will refer to own candidacy, qualifications and achievements.
- Each candidate is responsible for his or her campaign materials including message, cleanup, and appropriate placement of campaign items.
- There will be no campaigning during committees, inside the House, Senate, O'Brien House, or 8th Grade Committees, or within other offices while regular Youth Legislature business is being conducted. Campaigning is also prohibited within 20 feet of designated polling places.
- Endorsements are allowed, however, candidates may be held responsible for actions taken on their behalf.
- Speeches are to be given by the candidate only, and no introductions aside from those assigned by the Director of Elections are permitted. Candidate speeches must be approved by the Director of Elections at least two (2) hours prior to the time that speeches are scheduled to take place. Approval requires the official stamp, mark, or signature of the Director of Elections on the final version of the speech.
- Speeches may not be more than 2 minutes.

Campaign Finance

The maximum amount that each candidate may spend on the campaign is One Hundred Dollars (\$100.00). This amount includes in-kind and direct contributions and all amounts spent by supporters. For example, if a friend prints up a flyer on paper from his parent's office, the fair market value of that flyer (paper and copying or printing costs) must be included in the \$100. Expenses such as glue, printer paper, ink, etc. must be included – the costs of these items may be estimated if necessary.

All candidates must prepare and submit a draft campaign plan/budget to their delegation advisor for inclusion with registration materials on March 1st. The completed plan/budget must be submitted to the Director of Elections on the first day of session. Each candidate must also submit an itemized expenditure report including valid receipts and/or fair market value for all expenditures to the Director of Elections prior to the opening of the polls.

Campaign Materials

All campaign materials (signs, posters, flyers, etc.) must include a disclaimer which clearly states the person(s) responsible for its production. The words "paid for by" or "prepared by," with the person's name must be on each campaign item. Two (2) copies of each item must be submitted to and approved by the Director of Elections prior to distribution or display. Approval requires the official stamp, mark, or signature of the Director of Elections.

Materials may be posted only in designated areas. No materials may be stuck to any part of the interior of the Legislative Building. You will be instructed as to where you can place campaign materials.

The following are NOT allowed:

- Banners or signs over 2' X 2'
- Stickers of any kind
- Balloons
- Glitter or confetti may not appear either alone or on any materials or signs

Use of government or Youth & Government resources, i.e. printers, computers, copiers, etc is not allowed.

Enforcement

If a candidate or candidate's supporters choose to break any of these rules, the candidate may be disqualified from the race or, if the election has concluded, may be asked to forfeit his or her seat. In this case the nearest challenger will assume the office.

Complaints regarding a rule violation will be submitted to the Director of Elections, in writing, with specific facts and evidence provided. Complaints will be considered and decided upon by the Director of Elections, Fair Elections Commissioners and Secretary of State with oversight by the State Director, and the appropriate delegation advisor within four hours.
