Welcome to Y CAMP at the YMCA of Pierce and Kitsap Counties

Every summer the YMCA offers youth an enriching camp experience to help get more out of summer break, more friendships, more accomplishments, and more confidence. Please use this information as a reference to prepare you and your camper for camp before you get there. Enjoy the summer.

Have the best camp experience at the YMCA!

At the Y, we believe the values and skills learned early in life are vital building blocks for future success. YMCA Camps provide quality camp experiences, which help children learn skills, develop lifelong friendships, and discover how to be their best while having fun, all while in a safe and supportive environment.

What is Special About Camp at the Y?

YMCA Y Camps are special for so many reasons. From learning our YMCA core values of Caring, Honesty, Respect and Responsibility; to gaining lifelong friendships with other campers, the Y provides smiles and laughter in a safe and happy environment. Campers will experience the week in their camp group being led by a counselor and teen CITs. They'll participate in small and large group games, campfires, singing, specialty camps (All-Week Campers only), swimming, and crafts throughout the session. The following three focus for our staff and program for Y Camp are:

ACHIEVEMENT: Surrounding campers with chances to try new experiences.

RELATIONSHIPS: Inspiring campers to work and play together, creating friendships that last.

BELONGING: Making campers feel safe, welcomed, and able to express themselves.

Additional Information**Accommodation**

At our YMCA family center Y Camps, we are committed to providing a safe and enjoyable experience for every child. Due to the size of our facilities and the structure of our programming, we are unable to provide 1:1 aide. Campers must be able to function within

the group dynamic to maintain safety. To participate successfully, all campers must meet key behavioral and functional expectations.

Campers must be able to:

- Follow basic safety instructions: This includes staying with the group, following rules, and respecting closed areas (pool area, gymnastics rooms, etc...).
- Independently manage personal needs: Campers should be able to dress themselves and use the bathroom without significant assistance.
- Respond to their name and stay with the group: It's essential that campers can stay with the group in our large outdoor environment for safety reasons.

The Y Camp environment and schedule is demanding and fast paced; if your child requires a 1:1 aide at school, they will likely need similar support at Y Camp.

Accommodations for Aides

While we cannot provide 1:1 Aides, we can accommodate personal aides provided by families. If you plan to have an Aide accompanying your child, please contact us early to complete the required background check and orientation process.

Our goal is to create a safe, structured environment for all campers. If you have questions or need to discuss accommodations, please contact our camp office.

Behavior

The YMCA of Pierce and Kitsap Counties' summer day camp programs take pride in being a part of a community composed of individuals working together to provide the best camp experience for all participants. We view ourselves as a family, providing a platform for our participants to be caring, honest, respectful and responsible.

Our goal is to have our campers exercise these character values in enhancing the camping experience. Therefore, campers are responsible for following YMCA Camp rules which are designed to give the best possible experience for everyone in a safe atmosphere, so that we all may learn and grow from each other. We realize that all children, at some time, may make undesirable choices or misbehave. We view these times as opportunities for teachable moments, and a chance to reinforce our character values.

Counselors will outline expectations of behavior on the first day as well as reinforce the expectations daily. Camper and counselor relationships is an integral key in preventing negative behavior and ensuring one on one communication. Each day, counselors will work with the campers to help them make the best choices for the day, and when needed share with the parents, the camper's successes and learnings.

If a pattern of behavior that does not align with our Y values is exhibited by a camper and is negatively impacting the camp experience for others, the camper may be removed from camp.

Y Camp Directors and staff will determine if a camper needs to be removed from camp on a temporary or permanent basis based on the incident.
